

## **IECA Contractor Ad**

Intercounty Electric Cooperative is looking for a motivated sub-contractor to assist with the installation and repairs of internet services to their subscribers. Interested sub-contractors must have or be able to obtain certificate of liability insurance in the amount of \$1,000,000 before any internet installations or repairs can be made; sub-contractor must also have their own tools and equipment to perform installs and repairs as well as their own vehicle for transportation. Selected sub-contractor will train with Intercounty Electric Cooperative's Telecommunications System Administrator. For more information, or if you have any questions, please contact Heather Satterfield at (573) 671-0150.

Please submit a resume including qualifications and work experience to:
