

Intercounty Electric Cooperative Association (IECA) has an opening for a **Full-Time Director of Information and Technology**. This position is exempt. This position will be located in Licking.

The primary job duties will be managing day-to-day operation of the Cooperative networks. This position provides internal technical support to users, performs technology installations and software installations. Will be required to provide employee training, participate in technology solution selections, and ensure network reliability and network security.

Applicants are required to have a high school diploma or equivalent. A Bachelor's degree in computer science or a closely-related field and have 5 years' experience; or an AA/technical degree and 10 years' experience. A minimum of 5 years' experience with networking architecture, server hardware and security applications, virtual environments and VMware administration.

Applicants selected must successfully complete a pre-employment drug screening, pre-employment background check, and a post-offer WorkSTEPS functional employment test. Must have a class E driver license or be able to obtain one within 6 months of employment.

An application and complete job descriptions can be found at www.ieca.coop under Employment Opportunities or picked up from the Licking district office, located at 102 Maple Ave., Licking, Missouri. To be considered, a completed application must be submitted to IECA before 5:00 pm, Wednesday February 3, 2021.

IECA is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to sex, race, color, religion, national origin, age, marital status, political affiliation, sexual orientation, gender identity, genetic information, disability or protected veteran status. We are committed to providing a workplace free of any discrimination or harassment.
